### Evergreens: Ornamental and Protective

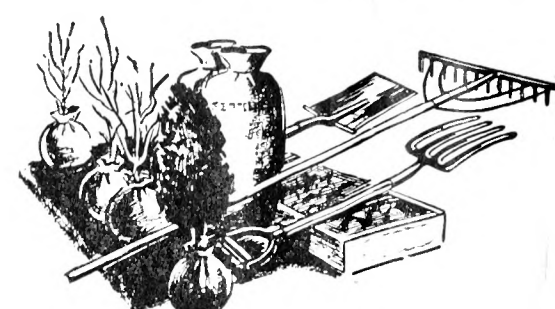

If the windbreak around your home is inadequate, a grove of evergreens will soon pay for itself with the fuel it saves. An occasional tree in the yard adds beauty and cheer, especially during the winter months.

White Spruce, 2 feet	\$1.25
Conealer Fir, 3 feet	3.50

### Fruit Trees

If you have delayed setting out those orchard trees, now is the time to do it.

They will pay big dividends year after year. Our stock is hardy, which enables it to withstand unfavorable weather conditions. We select varieties that are prolific bearers.

APPLES—All the leading varieties, Summer, Fall	
Winter, 4 to 5 feet	\$ .45

## Buy Nursery Stock at Home and Save Money

IT WILL BE MORE PROFITABLE FOR US ALL  
All nursery stock that is dead must be reported by September first

### Shade Trees

If you have shade trees that are decaying and will soon need to be replaced, don't wait for them to die. Start some new ones now alongside the old trees so that they will be well started when you cut the old ones down. Our varieties are fast growers and give an abundance of shade.

American Elm, 2 to 3 feet, per 100	\$3.50
CHINESE ELM, 18 to 24 inches, per 100	2.25
